Dear Ken,

Just a line to thank you once again for your sterling efforts on our behalf at our wedding at The Bridge on August 15<sup>th</sup>.

When we were first told we received the services of a toastmaster as part of The Bridge package, we wondered if we really needed one, whether it would make the occasion more formal than we wanted. Now we know we couldn't have done it without you! You were brilliant from start to finish.

We were extremely fortunate that all the people professionally involved on our special day delivered the goods big time. The food was good, the cake was good, the DJ was good, the hotel staff, notably Adrian were good, George the photographer was good but, above all, you, Ken, ensured our day ran like a well-oiled machine and made it an

experience we shall never forget. From the moment we met you Sheila found you a wonderfully calming and reassuring presence and your ability on the day to keep us both informed of what was happening while keeping another 75 people on the right track was a remarkable feat.

Sheila and I expected to enjoy ourselves, but nothing could have prepared us for just how much. We were still buzzing away with a few dickheads in the hotel bar long after 3 am but were up for breakfast reasonably bright-eyed and bushy tailed.

We have talked about our wonderful day incessantly since, between ourselves and to anyone who'll listen. And we would both love to do it all over again and again.

Thank you so much again for your very considerable part in making two people very happy and providing them with a million happy memories.

Best wishes,

Paul and Sheila Jones
